Attendance Policy
Students are expected to attend all courses and course activities for which they are registered. Any class meeting missed, regardless of cause, reduces the opportunity of learning and may adversely affect a student's achievement in the course. Students are required to attend at least 90% of the class meetings in order to receive credit for the course. An accurate record of attendance will be kept for each course. If a student misses one third or more of a class session, the student will be counted absent. Three tardies will count as one absence. Leaving early is the same as being tardy.

**Electronic Device Policy**

Cell phones and laptops may only be used in class when they are being utilized for course work such as dictionary usage or note taking. Usage of cell phones for personal matters during class will result in dismissal from the class on the first offense and withdrawal from the class on the second offense. If you have an emergency and are waiting for a phone call, inform the instructor ahead of time.

Students may email the instructor at any time. Homework should NOT be emailed to the instructor but rather handed in during class. Students may request permission to email assignments directly to the instructor on a case by case basis.

PBSC email: All communications to and from the student and professor will be completed by using your PBSC email address. Your email address may be found on your PantherWeb page. It will need to be activated. Please follow instructions given the first time you sign in.

**Late Assignment Policy**
