Attendance Policy
Students are expected to attend all courses and course activities for which they are registered. Any class meeting missed, regardless of cause, reduces the opportunity of learning and may adversely affect a student's achievement in the course. Students are required to attend at least 90% of the class meetings in order to receive credit for the course. An accurate record of attendance will be kept for each course. If a student misses one third or more of a class session, the student will be counted absent. Three tardies will count as one absence. Leaving early is the same as being tardy.

Electronic Device Policy
Cell phones and laptops may only be used in class when they are being utilized for course work such as dictionary usage or note taking. Usage of cell phones for personal matters during class will result in dismissal from the class on the first offense and withdrawal from the class on the second offense. If you have an emergency and are waiting for a phone call, inform the instructor ahead of time.

Students may email the instructor at any time. Homework should NOT be emailed to the instructor but rather handed in during class. Students may request permission to email assignments directly to the instructor on a case by case basis.

PBSC email: All communications to and from the student and professor will be completed by using your PBSC email address. Your email address may be found on your PantherWeb page. It will need to be activated. Please follow instructions given the first time you sign in.

Late Assignment Policy
All assignments count towards the final grade. Students should establish connections with other students to get notes and assignments from missed classes. Students must contact the instructor as soon as possible after missing an assignment to make the necessary arrangements with the instructor. Late homework assignments will be accepted up to ONE class day after it is originally due. TEN points will be deducted from the final score of late work. Late work will be accepted only two times per student per semester.
**Make-up Exam Policy**

Students must contact the instructor as soon as possible after missing a quiz, test, or exam (all of which count toward the final grade) to make arrangements with the instructor. The instructor may provide makeup quizzes, tests, or exams at her own discretion, may provide a different version of the test, and may require its completion outside of class.

**Academic Dishonesty Policy**

Academic dishonesty includes the following actions, as well as other similar conduct aimed at making false representation with respect to the student's academic performance: (1) Cheating on an exam, (2) Collaborating with others on work to be presented, if contrary to the stated rules of the course, (3) Submitting, if contrary to the rules of the course, work previously submitted in another course, (4) Knowingly and intentionally assisting another student in any of the above actions, including assistance in an arrangement whereby work, classroom performance, examination, or other activity is submitted or performed by a person other that the student under whose name the work is submitted or performed, (5) Plagiarism.

**Academic Dishonesty Penalty for Violation**

Academic dishonesty will result in a failing grade for this class.
